

Bourbon Cider Cocktail

Inspired by Maker's Mark and
The Cocktail Project

- 1 oz bourbon – I'm a Maker's Mark Ambassador but my heart is with Woodford 🤔
- 1 tsp sugar
- 2 dashes orange bitters
- 3 oz Hard Cider, dry – I might also try this warm with mulled cider!
- Garnish Maraschino cherries and an orange wedge

1. In a cocktail shaker, dissolve the sugar and the bitters.
2. Add bourbon and shake. Pour into cocktail glass
3. Top with cold cider and garnish with cherries and orange.
